## **Disclaimer, Copyright & Privacy Statement**

### **Disclaimer**

The content of this web site is provided for information purposes only. No claim is made as to the accuracy or authenticity of the content of the web site. Arnold Street Gallery does not accept any liability to any person for the information or advice (or the use of such information or advice) which is provided on this web site or incorporated into it by reference. The information on this web site is provided on the basis that all persons accessing the site undertake responsibility for assessing the relevance and accuracy of its content.

Arnold Street Gallery has provided links to other sites for the convenience of visitors. However, Arnold Street Gallery is not responsible for, nor specifically endorses or supports the content or services that may be offered by these sites nor warrants the accuracy of any information found through those links. Arnold Street Gallery is not, and must not be taken to be, authorising infringement of any intellectual property rights contained in material on linked sites.

Arnold Street Gallery reserves the right to change or modify any information contained herein without any prior notice.

### **Privacy Notice**

You can access Arnold Street Gallery's home page and browse our web site anonymously, without disclosing your personal information.

### **Collection of Personal Data**

Arnold Street Gallery web site does not collect or record personal information, other than information you choose to provide through our enquiries e-mail.

Email addresses and any other contact details you provide will not be added to a mailing list without your consent.

### **Disclosure**

We will not disclose your personal information to a third party without your consent, unless we are required or authorised to do so by law or other regulation. In the event of an investigation into suspected unlawful or improper activity, a law enforcement agency or government agency may exercise its legal authority to inspect the web server's records (eg. in relation to hacking or abusive messages).
